Arena Rules and Etiquette:

(I've read and agree to this section. _____ Owner's Initials)

- **Entering the indoor arena please Call out “coming in” or “door” and wait to see if its okay to enter**
- **Pick up all Manure in the indoor and outdoor arena and put in muck bucket or toss over arena fence!**
- **We all share the arenas. No more then 4 riders in the indoor arena! First come, First serve.**
- **Respect each and every rider**
- **Riders 18 or younger must wear a ASTM/SEI approved equestrian Helmet.**
- **All riders must wear riding boots, no flip flops or sandals**
- **Only one horse can be lunged in the indoor at a time**
- **Please be respectful to riders while lunging your horse.**
- **Pass each rider with care and at a distance**
- **Stand still if there is ever trouble with a horse**
- **Dismount your horse if another horse or rider is out of control.**
- **Dismount always in center of arena or in corner**

- **Turn Off indoor arena lights as soon as you leave or you will be charged extra each month.**
- **I love Barrel Racing but you must use a rack to push sand back over holes, deep areas around barrels after 3 runs**
- Please put poles, jumps, ball, barrels at the end of the arena to keep the arena clear. Please put anything back where you found it

I have read and understand all rules, and I am responsible for any actions occurring from not following the rules. I also certify that this has not been signed under duress
