

Hello! This is Lesley Wooten from Grandfather Stables

We hope to see you this summer 2018 at one or more of our horse camps!
The Horse Camps are going to be instructed as of now by Lesley Wooten, & Jude Olmsted and possibly other assistants.

We will still be having camp if there is only rain.
Lunch will be provided however feel free to bring your own lunch. We will be having them help make their lunch. See lunch menu below. Our camps will be having a good pizza party on the last day!

What will camps involve?

We hope that you will enjoy being around horses for a few days! The Foscoe area is beautiful and the weather is usually nice and can be slightly chilly with rain. We will not be cancelling camp due to rain as we have a indoor area to ride etc. We will be doing activities with horses and with our group. Also gaining skill on the ground in the saddle with horses! We hope to make this horse camp interesting and a learning experience!

Dear Parent(s),

Thank you for your interest in the 2018 summer camps at Grandfather Stables. Camp sessions run on the dates listed below.

Riders must be 7 years of age or older by their camp week. On Fridays, we ask parent(s)/friends to come back to watch a optional camp show. This show normally lasts about an hour, and shows off what the campers have learned throughout the week.

Our riding lessons during camp will be coordinated by camp instructors Lesley Wooten & Jude Olmsted! We will also have classroom sessions taught by Lesley & Jude and other staff members that include training of key topics that every rider should know. They will learn parts of the horse, parts of the saddle/bridle, horse health/care, and more. These classes are designed to build our rider's self confidence while teaching horsemanship safety. The lessons concentrate on safety first, proper grooming, communication skills, body alignment, balance, and an independent seat which are the building blocks in becoming a good rider.

Camp also includes lots of time for games and group activities, providing fun and entertainment all week long. The camp week is structured to provide our campers with good 'horse sense' while having lots of fun.

Reservations must be made at least *four* weeks in advance and no less than 2 weeks prior to camp. A \$50.00 non-refundable deposit must be paid at the time of registration. Camp cost is \$400.00 per week for 4 days and \$300 per week for 3 days. All forms attached to this packet must be turned in *before or the first day of camp*. Camp will begin each day at 9 am and end at 2 pm. Please read the entire packet.

Camp rules

-Campers are *required* to wear long pants (jeans) and close-toed shoes or boots upon arriving to camp each morning. If your child arrives with shorts or flip-flops on and no clothes to change into, they will not be able to ride until other clothes are brought. Riding in shorts and flip-flops is dangerous and we want to keep the campers safe at all times.

Leggings/sweatpants are also not allowed. They are slippery and also dangerous while riding.

-Campers are required to participate in water games if available. It gets very hot during the summer. We play water games to give the horses a chance to re-hydrate and a chance for the campers to cool down with fun group games.

-No standing behind the horses. Our horses are very safe, but horses are also flight animals.

-No yelling/screaming while on a horse. If a camper has been given a warning for yelling on a horse, they will be removed from the horse for the rest of their riding lesson. This is very dangerous and could scare the rider's horse and the horses around them.

-No running around the barns. We don't want to scare any horses!

-Respect all the rules of the barn. These will be reviewed on the first day.

-HAVE FUN!!!

Camp Checklist
